

2021 SUMMARY REPORT

**ONE
COMPANY,
ONE
VOICE.**

PAC MEMBERS ARE #VISTRASTRONG.

Despite bitter politics and an unprecedented winter storm kicking off the new year, our employee political action committees (PAC) navigated the political landscape well and focused on issues that directly impacted our company. #VistraStrong was never truer as our businesses made headlines and were scrutinized by regulators and legislators. Yet we trekked forward with our core principles leading the way and relied on our people to

explain our positions, leverage relationships previously built, and, through our collective voice, forge ahead. PACs are a legal and transparent form of engaging in the political process, and at Vistra, they're a vital component to support the sound policy for which we're known. Thanks to decades worth of employee participation, not even historical events could deter our employee's resolve to remain politically engaged.
