

2022 SUMMARY REPORT

**ONE
COMPANY,
ONE
VOICE.**

PAC MEMBERS ARE #VISTRASTRONG.

Despite social issues consuming headlines this year, our employee political action committees (PACs) remained focused on policy issues related to our company and industry. Whether it was testifying at hearings or providing input on legislation, the Government Affairs team relied on Vistra's core principles and focused on

issues that directly impacted our company. We were able to leverage relationships due to employee participation in our PACs – those previously built relationships and investments in educating public officials plus our collective voice, allowed us to share our story about the benefit of competitive markets.
